THE REPUBLICANS of the several wards and towns comprising the Sixth Senatorial District, met at the Union Hotel for holding the primary meeting, three delegates from each Assembly District, to a Senatorial Convention, to be held at the Lyndon House, in the Town of Lake, on Saturday, the 25th of October, Inst., at 8 o'clock P.M., to nominate a candidate for Senator, to be supported by the Republicans of this District.

MASS CONVENTION.

Lake, Oak Creek and Franklin Assembly Districts.—A DEMOCRATIC CONVENTION was held at the house of Mr. Thompson, in the town of Oak Creek, on the 17th day of October, at 2 o'clock P.M., for the purpose of nominating a suitable candidate for the Legislature, to represent the Lake, Oak Creek, and Franklin Assembly District.

Crosses, the Champion of Harrow—The Violators of the Law and the Ballet Box.

The proofs we have adduced in the *Sentinel* of the complete and intimate identification of Mr. Cross with the Barstow wing of the Democratic party, continue to exercise our neighbors of the *New and America* severely. As they cannot gainsay any of them, they set up the plea in abatement, that the fact charged constitutes no ground of objection against Mr. Cross. We think very differently, and so do the people. Mr. Cross, as a public man, is to be judged by his votes, acts and associates. It is by this standard that we propose and the People intend to try him. His past political course is the only safe index for the future. What he would be as Governor is to be inferred from what he was as a Member of the Legislature and as Mayor.

It is needless to dwell upon the outrages, abominations and iniquities of the Barstow Administration, or upon the crowning crime of all, the deliberate attempt of Barstow to usurp the office of Governor of this State, in spite of the voice of the people and the verdict of the Supreme Court. These things are yet fresh in the public memory. Mr. Cross, as a member of the Legislature, sustained by his vote all the obnoxious acts of the Barstow Administration. He is therefore individually responsible for them, and his votes are properly subjects of newspaper comment and public censure. Still further, Mr. Cross, as Mayor of this city, used his personal and official influence to aid the threatened rebellion of Barstow against the State, when the Supreme Court rejected the latter from the office he had usurped.—Mr. Cross, at the Young's Hall meeting in this city, introduced resolutions denouncing the Supreme Court, upholding the usurper Barstow, and promising to sustain him, by force if necessary, against the Law and the Constitution of the State. We again quote one of these Cross resolutions:

"Received, Author, That we demand our warmest thanks, and are under deep obligations to Wm. A. Barstow, the Governor of the State of Wisconsin, for the noble and dignified stand he has taken, in asserting the independence of the Executive Department, and supporting him by his voice, and in vindicating the Constitution and laws, and the treasonable and treacherous conduct of a partisan Court, aiming at political power, and insidiously grasping at political domination, and while thus vindictively oppressing the people, and trampling on the rights of this State, we will stand by him with our hearts, our voices, our motto and our strength."

The votes of Mr. Cross in the Legislature, however obnoxious, were venial offences compared with this act. In all the annuals of our State and Federal Governments we can recall no grosser violation of Law, no graver crime against Popular Sovereignty, no baser treachery to Republican Institutions, than the deliberate attempt of William A. Barstow and his reckless partisans, to defraud the ballot box, defeat the will of the People, deny the authority of the Courts and usurp the office of Governor of this State. The attempt was enough to itself to shake public confidence in our institutions, and its success would have been their destruction. To this great crime, James E. Cross was accessory, both before and after the fact. He counseled and supported Barstow during his successful usurpation of the office, and promised to sustain him when he threatened to resist the authority of the Law and the judgment of the Supreme Court, and appealed to force to maintain what he had acquired by fraud.

For this act of Mr. Cross, his supporters offer no apology. They know that it is utterly indefensible, and they are silent for that reason. They dare not disuse, nor even allude to it. The *New and America*, prompted by the same feelings, and somewhat involved in the same story, are silent, and when they do speak, do so for that reason. They do not disuse, nor even allude to it.Again, in the *American* of Aug. 17, we have the following account of some of the Ward Committee:

"Extracts from the Third Ward Assembly Committee.—We stated in our local column on Saturday morning that Mr. Daniel Kennedy had been elected Delegate from this Ward by 210 majority. We made the statement from the strictest report, and the facts were correct. The delegate for Mr. Cross who last year aided in defeating the Ballot-box, in defying the popular will, in resisting the authority of the Supreme Court, and in organizing Rebellion against the State. Will they pay a man in the Executive Office who countenanced and assisted the desperate attempts of William A. Barstow to obtain this same office by false counts and forged returns, and who, when this infamous cheat was exposed, and Barstow hurled from power, backed him up, by word and deed, in his threatened determination to resist by force the verdict of the People and the authority of the laws? Let

no such man be trusted!

More "Anonymous" charges.

The *New* of yesterday published an anonymous communication from Racine, assailing Mr. McMinn, the Republican candidate for Superintendent of Public Instruction, as "a man of most violent temper," of "great prejudices." "A Nero in the School Room." "A Calulus with teachers," etc., etc., and affectionately warning the good people of Wisconsin against introducing "such a bomb-shell" into our Public Schools. Such extravagant denunciations from an anonymous source, and in an utterly unscrupulous print like the *New*, do not and deserve not to carry a feather's weight with the People. Indeed, the very first paragraph in the communication above so plainly the *ans* ears, that no further notice need be taken of it. Here it is:"I have been a resident of Racine for about one year, and almost the same length of time a resident of the State. I am well aware, and the *New*, do not and deserve not to carry a feather's weight with the People. Indeed, the very first paragraph in the communication above so plainly the *ans* ears, that no further notice need be taken of it. Here it is:I have been a resident of Racine for about one year, and almost the same length of time a resident of the State. Indeed, the very first paragraph in the communication above so plainly the *ans* ears, that no further notice need be taken of it. Here it is:

How this clever genius could contrive to reside a year at Racine, without residing in this State as well, he does not explain. Evidently he is a very proper person to talk about Schools and to pass judgment upon the qualifications for State Superintendent.
